

Adeeba Naushad

Frontend Developer

naushadadeeba073@gmail.com | +91-7599474924 | LinkedIn | Github | Portfolio

PROFESSIONAL SUMMARY

Frontend Focused Full Stack Developer with over 1.6 years of hands-on experience building scalable, responsive, and high-performance production-level web applications. Skilled at translating Figma designs into clean, pixel-perfect interfaces using React, Angular, and Tailwind CSS. Strong expertise in HTML, CSS, responsive design, frontend architecture, and cross-browser compatibility with experience working on complex dashboard UI, admin panels, authentication systems, and enterprise applications. Experienced in collaborating with designers, backend developers, testers, and product teams to deliver user-centric solutions for scalable client and government projects.

Skills

Frontend Technologies

HTML5, CSS3, JavaScript, ReactJS, Angular, Tailwind CSS, Bootstrap

Development & Tools

Responsive Design, Cross-Browser Compatibility, Figma-to-Code, UI Optimization, Agile Development, Git, GitHub, GitLab, Figma, VS Code

PROJECTS

MUAI – Masters' Union Educational Platform

Angular, Custom CSS, Responsive Design, UI Libraries

- Developed authentication UI including Login, Signup, Forgot Password, and Reset Password pages using Angular and custom CSS. Built AI Chat UI and dashboard interfaces while ensuring responsiveness and cross-browser compatibility. Implemented light and dark theme support and converted 20+ Figma screens into pixel-perfect production-ready UI using Angular and UI libraries.

InterviewAI – AI Interview Platform

Angular, Custom CSS, Iconify, Responsive Design

- Built authentication pages, onboarding flows, and dashboard UI using Angular and custom CSS with Iconify integration. Implemented responsive UI across 15+ pages with pixel-perfect Figma-to-code accuracy and improved onboarding experience.

Punjab Entrepreneurship Mindset Program

Angular, Custom CSS, Responsive Design

- Developed Student, Admin, and Faculty dashboard UI for a **government platform** using Angular and custom CSS. Implemented responsive layouts and light/dark themes across 20+ dashboard pages while maintaining cross-browser compatibility and Figma-perfect UI consistency.

SalesCoach – AI Sales Management Platform

Angular, Custom CSS, UI Libraries, Responsive Design

- Developed Admin, Super Admin, and Manager dashboard UI using Angular and custom CSS across 25+ production pages. Built AI Call Assistant UI, Call Upload UI, Team Performance, Leads, Profile, and Knowledge Base interfaces with reusable modal and table components. Implemented responsive layouts, light/dark themes, and cross-browser compatibility using modern UI libraries.

EXPERIENCE

Frontend Developer

11/2024 – 05/2026

Masters' Union (via VP Outgrow Pvt. Ltd.)

- Converted 20+ Figma screens into production-ready UI using React, Angular, HTML, CSS, and Tailwind CSS while ensuring pixel-perfect implementation and faster design-to-development handoff
- Built and deployed 15+ reusable responsive UI components, improving development consistency and scalability
- Developed Angular modules for enterprise admin dashboards, improving workflow efficiency and overall user experience
- Optimized responsive layouts and cross-browser compatibility across 25+ pages for better accessibility and mobile usability
- Collaborated with frontend developers, backend teams, designers, and PMs in Agile sprints, contributing to 10+ production feature releases
- Maintained scalable and reusable frontend architecture, reducing UI bugs and improving maintainability
- Used AI-powered development tools to automate repetitive frontend tasks and improve development efficiency by 25%

EDUCATION

Full Stack Web Development Certification

02/2024 – 10/2026

Masai School, Bengaluru

- [Certificate Link](#)

Bachelor of Science

08/2023 – 07/2026

CSJMU, Kanpur
